**MicroKleen™ Spray & Equipment Cleaner AD1-919 (IPA)**

**DESCRIPTION:**
MicroKleen™ Spray & Equipment Cleaner AD1-919 is a pure grade of Isopropyl Alcohol. It is a flammable liquid and should be stored away from any possible sources of ignition; including pilot lights, electrical circuit boxes, electrical wiring, etc; **DO NOT SMOKE** when working with MicroKleen™ AD1-919.

**DIRECTIONS FOR USE:**
MicroKleen™ Spray & Equipment Cleaner AD1-919 is used to clean and/or flush application tools and spray equipment, following the application of Adsil Inorganic Clear Siloxane Protective Treatments. MicroKleen™ AD1-919 can also be used to clean up drips, spills and over spray before the Adsil Clear Siloxane products dry to touch. To clean up drips, spills and over spray, saturate clean cotton cloths with AD1-919 and wipe up before product dries. Always dispose of alcohol-saturated cloths in a safe and proper manner.

In certain situations, MicroKleen™ AD1-919 can be used to spot clean marine bright work, exotic metals or bare aluminum preliminary to the application of other Adsil Inorganic Clear Protective Treatments. Using a hand held spray-atomizing bottle, mist the area to be cleaned with AD1-919 and immediately wipe the area with a clean, white cotton cloth. Take care to exchange the cloths frequently. Dispose of alcohol saturated cloths in a safe and proper manner.

When ambient conditions are hotter than 85°F., or relative humidity is less than 50%, use MicroKleen™ AD1-103 Retarder Solvent to reduce SiLON™, Microsil™, MicroGuard®, or MicroBrite™ Inorganic Clear Protective Treatments. Refer to specific Technical Sheets for each individual Adsil Clear Siloxane product for complete thinning instructions.

**JOB SITE SAFETY:**
Always wear safety glasses, latex gloves and a properly fitted respirator (NIOSH/MSHA – Black Cartridge) when working with MicroKleen™ AD1-919. Always read specific label cautions and MSDS before working with this Adsil product. Always have MSDS on file and available at the job site.

**SITE CONTAINMENT:**
Disposal of collected product, residues and clean up materials may be governmentally regulated. Observe all applicable local, state and federal waste management regulations pursuant to the use of MicroKleen™ Spray & Equipment Cleaner AD1-919.

Wipe up, mop up or soak up with absorbent material any spills of MicroKleen™ Spray & Equipment Cleaner AD1-919. Collect and hold for proper disposal.
